Stryker education

EEMEA Trauma & Extremities

Lower Limb Nailing

SAVE THE DATE

Date:

Sep 18 - 19, 2024

Time:

08:30 AM - 17:00 PM

Venue:

InSITE Center, Istanbul, Turkey

Course description:

An event focused on the improved clinical efficiency, Stryker nailing product knowledge and understanding as well as current lower limb nailing trends for HCPs with a moderate level of nailing experience. This event will be facilitated by three dynamic and highly experienced HCPs from across EEMEA. A diverse group of delegates will ensure the opportunity for constructive, interactive case discussions for all to learn from that will be complimented with clinical trends, tips & tricks shared and guided by faculty members in the associated cadaver sessions.

Product focus:

Gamma3, T2 (all Femur & Tibia), T2 Alpha (all Femur & Tibia)

Course objectives:

- To improve competence and confidence of delegates
- Interactive case- and product discussions
- Didactic lectures - clinical tips & tricks
- Improvement of clinical efficiency

Participant profile:

- Actively doing clinical cases – lower limb nailing
- Have been exposed to SYK nailing product education on local, regional or national level
