

DRAFT AGENDA Day One			
08:45	Transfer from Clayton Hotel to Innovation Center		
09:30	Introduction and Welcome		
09:40	Corporate Overview		
09:55	Stryker Ireland Orientation		
10:10	Clinical Challenges in revision knee surgery		
10:25	Feedback		
10:40	Modes of Primary knee failure		
11:00	COFFEE		
11:20	Aims of Revision knee surgery		
11:40	How to restore the distal joint in Revision		
	Importance of PCO in Revision surgery		
	Cones		
	Short stems or Long stems		
	Sleeves		
12:40	LUNCH		
13:40	Why restoring distal joint line is important in revision knee surgery		
14:00	Importance of PCO in Revision surgery		
14:20	Metaphyseal fixation Cones or Sleeves		
	Group Sessions x 3		
14:40	Tullagreen	Triathlon TS Workshop	Tibial and Cone Fixation
15:05	Tibial and Cone Fixation	Tullagreen	Triathlon TS Workshop
15:50	Triathlon TS Workshop	Tibial and Cone Fixation	Tullagreen
16:30	Triathlon TS overview		
16:45	Triathlon TS clinical Evidence		
17:15	Day 1 Close		
DRAFT AGENDA Day Two			
08:00	Transfer from Clayton Hotel to Innovation Center		
08:30	Opening		
08:40	Case studies		
10:20	Perfecting the process: advanced operations overview		
10:40	3 dimensional virtual testing: Stryker Orthopaedics Modeling and Analytics (SOMA)		
10:40	Coffee		
11:00	SOMA – Accolade II and Revision Cones creation		
11:00	Transfer to Anngrove – Stryker AMagine Customer Experience Area		
11:15	AMagine – Enable for creative design		
	Development of the process		
	3D printing in orthopaedics: from PhD to factory floor		
12:30	LUNCH		
13:30	Meeting Close
